

AWPS Request For Change Process

You may Click on a block/ yellow figure to get a short description

- Notes:
- (1) Recommended soln. is reviewed by AWIPS Focal Points for concurrence. Regional Focal Points may recommend Patch versus waiting for next build.
 - (2) Fast Track Candidate RCs are noted as such when submitted. Approval of Fast Track RCs approves Implementation as stated on the RC.
 - (3) Formal Review, cycle includes Resolution of Issues.
 - (4) Requirements for "Fully developed":
 - Hardware - Red lined documents, parts lists and identification of who upgrades documents.
 - Software - All SW DR's, CIs and files affected are listed. All - List of sites affected.
 - (5) Limited resources are approved, including Contractor (P)ECP development as required.
 - (6) Any significant changes to cost, solution, or implementation require review and concurrence by AWCCB.
